

Dear Parents and Students,

The Greenville Triumph Soccer Club would like to welcome you to the 2023 Read to Score Program brought to you by Duke Energy! By participating in this program, each Read to Score reading star will have the opportunity to earn one (1) FREE ticket to attend a special soccer match alongside classmates and friends on **Saturday, October 14th, 2023, at 7PM** as the Triumph takes on Lexington S.C.

With our move to Furman University's Paladin Football Stadium and increase in seating capacity, your child will have the opportunity to participate in a halftime parade around the pitch cheered on by thousands to make it a memorable night for the family!

Through this program, our goal is to promote the importance of reading and celebrate success after accomplishing goals.

Guidelines: To participate, Reading Stars are asked to read a minimum of three (3) grade appropriate books in three (3) weeks to score a FREE ticket. All we ask is that after each book is read, a parent or guardian initial on the bookmark provided and have the Reading Star show their teacher to get a check on the class poster. Upon completion of the program, each Reading Star will receive a congratulatory letter with information on how to redeem their free ticket for their accomplishment.

Students that participate will have the chance to be recognized at halftime as they parade around the pitch! We are so excited to see your child succeed with this program and look forward to having them at the Triumph Soccer match!
